

**Field of Interest**

Transportation Engineering, Environmental Engineering

**Qualification**

M.Sc.Engg. Ongoing (BUET); B.Sc.Engg. (CUET)

**Courses Taught:***Undergraduate Courses*

Highway Construction, Maintenance and Railway Engineering

Design of Concrete Structure-II

Structural Analysis and Design-II

Environmental Engineering Lab-II

Geotechnical Engineering Lab

Details of Construction and Estimation

Computer Aided Drafting

Civil Engineering Drawing

**Publications**
